

DIRECTIONS FOR MAKING BUNNY EARS

1. Choose each foam piece: 1 long strip, 1 short strip, 1 pink rectangle, and 1 white rectangle
2. Trace the small template on the pink rectangle and the large template on the white template
3. Cut out the ear shapes
4. Glue the pink shape onto the white shape
5. Staple the two strips together
6. Place the strip around your head to measure the correct headband size
7. Staple the strip in a loop and cut off any extra foam
8. Staple ears between your eyes and ears
9. Put on your bunny ears!
