

COVID-19 POLICY

As of 2/12/2021

WELCOME BACK TO DMPA SUMMER CAMPS!

The safety of our students and colleagues is a top priority at DMPA. By sending your student to one of our camps, you agree to abide by all policies and procedures regarding COVID-19.

Requirements will be modified as COVID-19 conditions evolve in accordance with local and national regulations and safety recommendations.

DAILY ATTENDANCE GUIDANCE

If adherence to the attendance guidance limits a student's ability to participate in camp, a pro-rated refund will be provided.

- If the student been around someone who has tested positive for COVID-19 or who is exhibiting symptoms of COVID-19, do not attend or return to camp
- If the student has tested positive for COVID-19, do not attend or return to camp
- Students should not attend camp if they or someone they've been in contact with are awaiting the results of a COVID-19 test.
 - The student **may** return if those results are **negative**
 - The student **may not** return if those results are **positive**.
- If a student has symptoms related to COVID-19, do not attend camp until:
 - The student has tested negative for COVID-19 between three and five days after the onset of symptoms.

MASKS (Required)

For the safety of all parties, a mask is required for all individuals regardless of age while inside the building. **The following mask styles are NOT allowed: neck gaiters, bandanas, or masks with exhalation valves or vents. Should you forget your mask, one will be provided.**

DROP-OFF and PICK-UP

Drop-off and pick-up procedures will be modified so that everyone stays in their vehicles. More details will be sent closer to the start of summer camp.

SOCIAL DISTANCING

During all camps, classes, and educational programs, students will be asked to respect safe social distancing practices. Camp groups will be spread out as much as possible to maintain physical separation of at least 6 feet between groups.

ACTIVITIES AND CRAFTS

Activities and crafts have been modified to minimize sharing of supplies and to separate groups as much as possible.

LUNCH

Students will be socially distanced during lunch and snack times.

Reminder: Lunch is not included with camp registration. Students should bring sack lunches (Refrigeration is not provided). DMPA provides an afternoon snack for all participants.

OTHER SAFETY MEASURES

- Extra cleaning and sanitizing will be done at each camp location.
- Hand sanitizer stations are also available throughout the building.
- Frequent handwashing with soap and water as well as use of hand sanitizer will be expected.
- Students must bring their own water bottles. We will have a refill station.
- Our camp and building staff have all completed COVID-19 training in order to provide students with proper guidance on social distancing and hand washing.
- We will check with students frequently to ask how they are feeling. If anyone feels ill, we will provide them with a quiet location away from other students until they can be picked up by someone on your approved pick-up list.
- If you or any member of your family are experiencing symptoms related to COVID-19 (cough, fever, loss of taste or smell, etc.), we ask that you refrain from sending them to camp and notify us of the absence.

WHAT CAN FAMILIES DO TO MAKE SURE ALL WHO ATTEND CAMP REMAIN WELL AND HEALTHY?

- Monitor your student's health. If ill or running a temperature, your student should remain at home.
- Remind your student to cover their coughs and sneezes and to wash their hands frequently.
- Review proper handwashing techniques with your student and make sure they understand why it is important.
- Send your student with a camp-appropriate face mask and make sure it covers mouth and nose as well as fitting well on the sides of the mask.

STILL HAVE QUESTIONS?
