

OUTSTANDING COMMUNITY ENGAGEMENT SIOUX CITY NORTH HIGH SCHOOL

PROJECT SUMMARY

LITTLE SHOP OF HORRORS features a plant whose hunger cannot be satisfied. Students from Sioux City North's production wanted to use their show to support their community garden. The garden annually supplies over 17,000 pounds of produce for the local food bank. By selling show-related Venus flytraps, the school raised funds to purchase bags of garden soil. In this way, the students helped the garden to continue its work of ensuring that no family in our community remains hungry.
