Each school may feature up to 2 actors, who will be assigned to either the opening number or finale based on rehearsal schedule.
2. Your school's featured performance, if applicable.
3. Your school's featured section in the Outstanding Overall Performance video reel, if applicable.
4. Your school's featured section in the Outstanding Overall Technical and Creative Achievement video reel, if applicable.
5. Behind-the-Scenes Award Track invitations passed along to qualifying students, if applicable.
6. Triple Threat Award Track invitations passed along to qualifying students, if applicable.

INTER-SCHOOL MEDLEY PARTICIPATION

(Every school eligible to participate)

I. INTER-SCHOOL MEDLEY INFORMATION

Each school may submit two student actors from their musical to represent the school in an inter-school medley.

Schools will be assigned to either the Opening Number or the Finale based on rehearsal availability. (All student representatives from your school will attend the same rehearsal schedule.)

Participating students will have the opportunity to work with a New York City-based choreographer and music director to put together the medley.

STUDENT SELECTION CRITERIA

Please select principal roles or chorus members that will best represent your school and who also reflect the diversity of your school community. Please note: the number they will perform will be high energy, high movement, and will involve singing. Please select students that you feel are up for the challenge.

NOTE: In an effort to provide as many students with the opportunity to work with the guest choreographer and music director as possible, students in the Triple Threat Award Track are not eligible to take one of your school's spots in an inter-school medley.

You will be asked to confirm the names of your students participating in your inter-school medley by mid-May. (Form to be provided.)

PREPARATION AND REHEARSALS

Participating students are required to learn the music on their own or with your help (music and rehearsal tracks will be posted online in May; directors will be emailed with the link when available.)

All rehearsals for your school's assigned medley are mandatory for participating students. Any student that misses rehearsal will not be allowed to perform at the Awards Showcase.

NOTE: Participating students are given the unique opportunity to work with Broadway industry professionals. As such, the tone of rehearsals will be professional with an emphasis on focus and mutual respect. A student who does not conduct themselves at this level of expectation may be dismissed from performing in the Awards Showcase at the discretion of program staff.

MEDLEY ASSIGNMENTS

Directors will be asked to respond to a survey about medley assignment preference, based on rehearsal schedules. Please see below for the draft rehearsal schedule for the opening and finale medleys.

Medley assignments will be communicated by early May.

PRODUCTION EXCERPT PERFORMANCES

(by invitation)

PRODUCTION EXCERPT PERFORMANCES, OVERVIEW

Invitations to perform an excerpt from your school production during the Awards Showcase will be based on the receipt of the following awards:

A. OUTSTANDING MUSICAL PRODUCTION AWARD

Schools that receive requisite scores and nominations across performance, creative, and technical categories are honored with this cumulative award.

Schools honored at this level will be considered by the Adjudicator Stewards committee to perform an excerpt from their school musical production at this year's Awards Showcase. The Adjudicator Stewards committee is made up of adjudicators and staff who attended each participating musical this year. The committee will review all Outstanding Musical Production recipients to curate the Ensemble Medleys at this year's showcase. It is possible that not all Outstanding Musical Production recipients will be invited to perform in an Ensemble Medley at the Awards Showcase. Ensemble Medley performance invitations will be issued by Monday, May 8, 2022.

Each performing ensemble's excerpt should be 2-3 minutes in length and feature your ensemble in the number. If there is no such number in your musical, please contact showcase@dmpa.org to discuss. Please see pages 9-11 for specific information about format, staging, rehearsals, etc.

B. OUTSTANDING PERFORMANCE IN A PRINCIPAL ROLE

Individual performers that receive requisite scores and nominations are honored with this award.

Students honored at this level will be considered by the Adjudicator Stewards committee to perform an excerpt from their role in a Spotlight Medley at this year's Awards Showcase. The Adjudicator Stewards committee is made up of adjudicators and staff who attended each participating musical this year. The committee will review all Outstanding Performance in a Principal Role recipients to curate the Spotlight Medleys at this year's showcase. Due to time considerations, not all Outstanding Performance in a Principal Role recipients will be invited to perform in a Spotlight Medley at the Awards Showcase. Spotlight Medley performance invitations will be issued by Monday, May 8, 2022.

Each performing student's excerpt will be a maximum of 45 seconds in length. The excerpt will be woven into a medley featuring students from other schools in an arrangement created by the Awards Showcase music director. Please see pages 12-14 for specific information about format, staging, rehearsals, etc.

NOTE: Students from schools receiving an 'Outstanding Musical Production Award' and a performance invitation should be featured within their school's featured ensemble medley. This takes the place of the possibility of performing in a medley with other 'Outstanding Performance in a Principal Role' award recipients from other schools.

PRODUCTION EXCERPT PERFORMANCES OVERVIEW, cont.

NOTE ABOUT DISTINGUISHED SCENE RECIPIENTS

Due to time considerations, schools receiving a Distinguished Scene award are recognized in print but do not receive an invitation to perform a full-cast excerpt.

NOTE ABOUT SPECIAL RECOGNITION FOR PERFORMANCE IN A PRINCIPAL ROLE RECIPIENTS

Due to time considerations, students receiving Special Recognition for a Principal Role are recognized in print but do not receive an invitation to perform an excerpt from their role.

NOTE ABOUT NON-PERFORMING OUTSTANDING MUSICAL PRODUCTION RECIPIENTS

Schools receiving Outstanding Musical Production without a performance invitation will be recognized during the Awards Showcase in print.

NOTE ABOUT NON-PERFORMING OUTSTANDING PRINCIPAL ROLE RECIPIENTS

Students receiving Outstanding Achievement in a Principal Role without a performance invitation will be recognized during the Awards Showcase in print.

A. OUTSTANDING MUSICAL PRODUCTION EXCERPTS

Schools that receive an Outstanding Musical Production award and a performance invitation may perform a 2–3-minute excerpt from their production featuring their full cast or a large portion of their ensemble.

FORMAT

These excerpts may take the form of one large ensemble number from the show. In addition to your ensemble, we recommend you consider featuring any “Outstanding Performance in a Principal Role” recipients, if applicable.

NOTE: Medleys of multiple songs will no longer be allowed.

Your excerpt will then likely be combined with excerpts from 1-2 other schools to create a medley.

NOTE: If at all possible, any individual student(s) honored with an “Outstanding Achievement” award for their principal role should be featured within your production excerpt. They will not be eligible for a separate spotlight medley feature.

MUSIC SUBMISSION

The Awards Showcase band consisting of keyboard, bass, drums, guitar, violin, and cello will provide the accompaniment.

Please submit PDF copies of your piano/vocal score as well as any of the above-listed orchestral parts in your possession to IHSMTA using the uploader link below, by the following dates:

- Productions held October-March: **Tuesday, April 25 2023 by 4 PM**
- Productions held in April: **Friday, May 12, 2023 by 4 PM**

If music is received past this deadline we cannot guarantee inclusion in the Awards Showcase (unless other arrangements are made prior to the deadline with program staff.)

[MUSIC SUBMISSION UPLOADER](#)

Please time your selection to ensure it meets the time parameters. Submissions over the stated permissible length will not be accepted and will be subject to further editing by the Awards Showcase music director.

All cuts and transitions must be clearly marked. (If you do not read or play music yourself, please enlist a colleague who can assist you or play through the medley with your marked cuts. They may be able to help you work through any transition areas that need further clarification.)

*NOTE: Due to rights considerations, **dialogue or spoken material is generally not permitted in production excerpts.** In rare instances, dialogue written directly into the music may be approved. Please contact showcase@dmpa.org to discuss.*

STAGING INFORMATION

Your ensemble will have approximately 40 feet wide x 30 feet deep space in which to perform your medley or number. Your group will be asked to all enter and exit from the same side of the stage, to assist with backstage traffic patterns.

The side your group will be assigned will be communicated at your tech rehearsal. We ask that your group be prepared to adjust your entrance and exit plan at the tech rehearsal, if needed.

The band will be located in the pit orchestra in front of the stage.

If your number or medley features any soloists, you will have access to up to SIX wireless headset microphones. We will also have overhead ensemble mics hung above the stage. ALL soloists must be mic'd. Your arrangement will ideally have no more than six soloists featured. If this is not possible, please submit an appeal for additional microphones on your music submission form. Staff will review if any additional microphones are available, based on mic trafficking with what is performed before and after your excerpt. (In the event more microphones are not available, you may be asked to re-assign solo lines to a performer already in a microphone.)

Set pieces are not allowed. You may seek approval from program staff to use stage boxes or similar units if levels are necessary to maintain the flavor of your choreography. One condition of approval is that stage boxes should be painted black and limited in number due to storage considerations. Please label the underside of all stage boxes with the school name and a contact phone number. (All units must be removed from the theater at the conclusion of the Awards Showcase event.) To secure approval, please email showcase@dmpa.org.

Small hand props are not allowed due to rights considerations.

TECH REHEARSAL

Each school performing in an excerpt medley will attend an approximately 2-hour rehearsal and walk-through during the day on either Tuesday, May 30 or Wednesday, May 31. The time will include an orientation period, a chance for school directors to finesse spacing on the Civic Center stage, a run through of the number with the Awards Showcase band, and mic check for any soloists. Students should arrive fully knowing their music and blocking so that the tech rehearsal can be used for final tweaks. Efforts will be made to assign schools traveling a distance to a tech time the same day that your inter-school medley students have their second rehearsal.

Your medley's time on stage will be limited to approximately 75 minutes. (The ensembles from all schools featured within the medley will be present for the entire rehearsal block.)

To help you use your time efficiently, we will aim to use your rehearsal block as follows:

Minutes 1-15: Soloists get into headset mics; school directors confer with music director on tempi or any other questions; talk through the transitions, including entrance/exit sides and bow arrangements

Minutes 15-35: First run-through, tweak and notes

Minutes 35-55: Second run-through, tweak and notes

Minutes 55-75: Final run-through and final notes

It is required that the director or another knowledgeable adult attend tech rehearsal with your students. This person should take an active role in helping students make any necessary adjustments.

NOTE: Students are required to come in their performance clothes and shoes to the tech rehearsal. This is used as an opportunity to ensure that all attire guidelines are met, that students have practiced performing in the same shoes on the Civic Center stage as they will on Thursday night, and that mic packs for soloists work with what they plan to wear. Any soloists without a waistband strong enough to clip a mic pack onto, such as those wearing a skirt or a dress, should also plan to wear the same type of undergarments as they will on Thursday evening to ensure mic pack placement will work. Please see page 30 for complete wardrobe and hair guidelines.

CALL TIME

All performing students should arrive at the theater on Thursday evening fully dressed in their performance clothes by 6:30 PM.* Directors will be responsible for distributing tickets to students prior to arrival and the group may enter the building through any public entrance before taking their seats.

**NOTE: Students in an inter-school medley or the Triple Threat Track will be called earlier that day for their number's final dress rehearsal.*

Due to the number of students and guests in the building prior to the event start, schools should plan to warm up prior to leaving school or on the bus. Dedicated warm-up space is not available.

TICKETS

Please see information on page 31 regarding tickets to the Awards Showcase.

B. OUTSTANDING PERFORMANCE IN A PRINCIPAL ROLE EXCERPTS – PERFORMING STUDENTS INFORMATION

Students who receive an award for “Outstanding Performance in a Principal Role” and receive an invitation to perform at the Awards Showcase are able to perform a 45-second solo from their role, which will be woven into a medley of honored soloists and/or small group numbers (i.e. duets or trios.)

NOTE: soloist invitations for all schools will be issued on Monday, May 8, 2022.

Program staff will provide guidance on which song the student should consider based on input from adjudicators. (In rare cases, the scene may involve additional students from the production based on adjudicator nomination.) Final selection is subject to program staff and Awards Showcase music director approval.

**NOTE: If your school receives a cumulative award for Outstanding Musical Production and an ensemble performance invitation, you should consider featuring any individual award-winning students in your excerpt. They will not be given an additional slot to perform outside of your school excerpt.*

MUSIC/SCORE SUBMISSION

The Awards Showcase band consisting of keyboard, bass, drums, guitar, violin, and cello will provide the accompaniment.

Please submit PDF copies of your piano/vocal score as well as any of the above-listed orchestral parts in your possession to IHSMTA no later than **Friday, May 12 by 4 PM** using the uploader below. If music is received past this deadline, we cannot guarantee inclusion in the Awards Showcase (unless other arrangements are made prior to the deadline with program staff.)

[MUSIC SUBMISSION UPLOADER](#)

Please clearly mark the beginning and ending point of your student’s preferred cut from their song. Typically, a verse and a chorus of the song works well for this purpose, if at or under the 45-second time limit. (If you do not read or play music yourself, please enlist a friend or colleague who can assist you.)

In addition, please time the cut to ensure it meets the time parameters. Submissions over the stated permissible length will not be accepted and may be subject to further editing by the Awards Showcase music director.

Please also ensure that both musically and lyrically the excerpt makes sense to the viewer. Please avoid starting and stopping mid-musical phrase.

*NOTE: Due to rights considerations, **dialogue or spoken material is generally not permitted** in production excerpts. In rare instances, dialogue written directly into the music may be approved. Please contact showcase@dmpa.org to discuss.*

OUTSTANDING PERFORMANCE IN A PRINCIPAL ROLE EXCERPTS, cont.

STAGING INFORMATION

Your student(s) will have approximately a 20 feet wide x 30 feet deep space in which to perform their number. Songs within the medley will alternate from one half of the stage to the next.

The band will be located in the pit orchestra in front of the stage, and each performing student will have access to a wireless headset microphone.

Set pieces are not allowed. You may elect to use a chair, stool, or other stage box through prior arrangement and approval. One condition of approval is that stage boxes, chairs, or stools should be black. Please label the underside of all stage boxes with the school name and a contact phone number. (All units must be removed from the theater at the conclusion of the Awards Showcase event.) To secure approval, please contact showcase@dmpa.org.

Small hand props are not allowed due to rights considerations.

TECH REHEARSAL

Your student(s) will be required to attend a 2-hour coaching/tech time on either Tuesday, May 30 or Wednesday, May 31 at the Des Moines Civic Center. During this time, students will have the opportunity to meet the other students in their medley group, receive coaching on their section of the medley, and work through the tech logistics of their medley on the Des Moines Civic Center stage, including working with the Awards Showcase band. This is a valuable opportunity to build a sense of ensemble amongst the medley performers, as well as to provide students the opportunity to fine tune their performance without the other characters and production elements they may be used to.

Students should arrive fully knowing their music and blocking so that the tech rehearsal can be used for final tweaks.

If possible, we recommend that the director or another knowledgeable adult attend the tech rehearsal with your student.

NOTE: Students are required to come in their performance clothes and shoes to the tech rehearsal. This is used as an opportunity to ensure that all costume guidelines are met, that students have practiced performing in the same shoes on the Civic Center stage as they will on Thursday night, and that mic packs for soloists work with what they plan to wear. Any soloists without a waistband strong enough to clip a mic pack onto, such as those wearing a skirt or a dress, should also plan to wear the same type of undergarments as they will on Saturday evening to ensure mic pack placement will work. Please see page 30 for complete wardrobe and hair guidelines.

DIRECTOR RESPONSIBILITIES

Your primary responsibility is to pass along the individual invitation(s) to participate in the Triple Threat Award Track to your qualifying student(s) and to encourage them to RSVP. Students in musicals held **October-March should RSVP by April 25**, and students in **April musicals should RSVP by May 12**. This allows us to know whether to plan on their participation and to directly pass along to them the information on the more detailed requirements for their preparation.

We encourage directors to help with putting together student portfolio or other track requirements if students request your assistance.

(Students participating in the Triple Threat Track will also have the opportunity to participate in an information call where we will go over all of the portfolio requirements and answer questions. Directors are welcome to join us on these calls, as are parents/guardians. Call times will be included in invitations to students.)

OVERNIGHT ACCOMMODATIONS

Students who live more than 60 miles from Des Moines may request overnight accommodations for a nominal fee for the nights of May 28 – May 31.* We hope these accommodations will remove a barrier that might inhibit your student's ability to participate. Students interested in overnight accommodations will be able to request more information on their RSVP form.

NOTE: Jimmy Awards selected students may also request overnight accommodations the evening of June 1, if necessary to remain in Des Moines for material prep the following day.

More Information about the Jimmy Awards

The National High School Musical Theatre Awards® (NHSMTA®) / The Jimmy Awards® were established in 2009 to elevate the importance of theater arts education in schools and reward excellence in student performance. The program impacts 140,000 students annually who participate in high school musical theater awards programs sponsored by over forty Broadway-presenting, professional theaters throughout the US (including the Iowa High School Musical Theater Awards presented by Des Moines Performing Arts.)

Two actors, one in the female category and one in the male category, from each qualifying regional awards program will come together from across the country Sunday, June 18 through Tuesday, 27, 2023 in New York City for a rigorous, ten-day experience. Participants will enjoy individual vocal and acting coaching by Broadway industry professionals, visits from special guests, discussions with working actors, a night out in Times Square for dinner and a Broadway show, and a session with a Broadway casting agency. On Monday, June 26, 2023, students will perform in The Jimmy Awards showcase at the Minskoff Theatre (home to Disney's THE LION KING on Broadway), where a panel of judges will choose the Jimmy® Award winners.

GENERAL INFORMATION

(Wardrobe, tickets,
presentation of awards, t-shirts, etc.)

GENERAL INFORMATION

WARDROBE GUIDELINES

The costume for all participating students is all black attire. Performers may choose from the following wardrobe options:

- Black dress pants and a black collared shirt (such as a button-up or polo) or black top; a black dress; or a black skirt with a black top; please include a black belt for anything with belt loops
- Black dress shoes or black character-style shoes
- Black socks or black hosiery (required for any performer not wearing pants, no bare leg skin please)

Please no shorts, sweats, visible lettering/logos or yoga pants (can appear sheer under stage lights.) If wearing a dress or skirt, black hosiery is required. Dresses and skirts must be at or below the knee due to choreography considerations. Wardrobe should be solid throughout with no cutouts or midribs showing.

Students are required to come in their performance clothes and shoes to tech rehearsal. This is used as an opportunity to ensure that all costume guidelines are met, that students have practiced performing in the same shoes on the Civic Center stage as they will during the final performance, and that mic packs for soloists work with what they plan to wear. (Soloists who elect to wear a skirt or dress without pockets or a seam waistband should also wear the same bra or other undergarments as they will during the performance to ensure they have a workable mic placement option.)

Example of students in all black for the Awards Showcase:

HAIR GUIDELINES

Long hair should be pulled back or pinned so that it is not in front of performers' eyes or faces. We want the audience to see their expressive faces. Any hair accessories should be black or a neutral color.

JEWELRY

Any jewelry should be minimal and a neutral color, such as gold or silver.

(When not on stage, students will be seated in the theater to watch as much of the Awards Showcase as possible.) Directors will communicate complimentary ticket needs on their 'Participation Form,' due Wednesday, May 17.

Tickets to the Awards Showcase will go on sale to the public on Friday, May 12, 2023. Tickets may be purchased online at dmpa.org, by calling 515-246-2300, or in person at the Civic Center ticket office (221 Walnut Street, Des Moines; hours Monday – Friday, 10 AM to 5 PM.) Tickets prices start at \$15. A PDF letter about tickets will be sent to you before the on-sale date that can be distributed to families.

AWARD PICK-UP AND PRESENTATION

School Awards:

Each school should designate an adult (director or other adult affiliated with your production) to pick up your school award prior to the Awards Showcase.

School-wide awards will be presented in the Prairie Meadows Lobby at the Des Moines Civic Center between 3-4 PM and 5-6 PM on Thursday, June 1. There will be the opportunity for the director and a select number of students to have their photo taken during the presentation of the award.

(Due to lobby capacities, it is recommended that students included in the photo be limited to those participating in an inter-school medley, the Triple Threat Award Track, and a few key additional program leaders. Whole ensembles will, unfortunately, not be able to be accommodated.)

In addition, during this time, directors will pick up packets that contain their school's certificates, participation pins, and other related materials.

Individual Awards:

Individual students recognized with outstanding achievement in a principal role, as a featured dancer, or in a Behind-The-Scenes role will receive an individual physical award. The captain or co-captains of teams of students who received a Behind-The-Scenes achievement award will also receive a physical award. Individual awards will be given to performing students after their tech rehearsals on Tuesday, May 30 and Wednesday, May 31, 2023. Behind-The-Scenes students will receive their individual awards on Behind-The-Scenes Day on Thursday, May 25, 2023. Remaining awards will be given to directors during the award pick-up times in the Prairie Meadows Lobby on Thursday, June 1, 2023.

GENERAL INFORMATION, cont.

PARTICIPATION FORMS

Each school will be provided with a participation form on which to enumerate all showcase participating students and their involvement. This ensures an accurate count for ticket purchases and for cross-checking received waivers. Forms will be released the week of May 8 and are due Wednesday, May 17.

MEALS FOR INTER-SCHOOL MEDLEY AND TRIPLE THREAT STUDENTS

Students participating in an inter-school medley (Opening Number or Finale) or the Triple Threat Track will have a boxed dinner provided for them on the night of the Awards Showcase to eat at the theater between their dress rehearsal and the event. Exact menu will be announced at students' first rehearsal during the Awards Showcase week.

NOTE: If students elect to bring a sack lunch from home, access to refrigeration or a microwave is not available.

Students are not to leave the building between their call time and the event, and outside meal deliveries will not be accepted.

(The expectation that students stay in the building is set for safety reasons; in addition, the Awards Showcase continues to receive a growing amount of press attention each year. Often, media request interviews with students from specific schools which we are able to arrange over the dinner break time with inter-school and Triple Threat students.)

If your school is performing an excerpt from your production and planning dinner arrangements prior to the 6:30 PM call, please do not include any of your students in the inter-school medleys or Triple Threat Track. As stated, they will need to remain at the Civic Center from their earlier call time through the Awards Showcase.

T-SHIRTS

Commemorative t-shirts will be available for purchase during program activity held Monday, May 29 – Thursday, June 1, 2023. Check or credit/debit card accepted, cash not accepted. Shirts anticipated to be priced at \$15.

IOWA PBS

This year's Awards Showcase will again be livestreamed by Iowa PBS. Additionally, highlights from the evening will be broadcast at a later date; exact date(s) to be announced.

REQUIRED WAIVER

Students are required to submit a completed waiver/release form to participate in this year's Awards Showcase. All waivers should be submitted no later than Wednesday, May 24. Students without a release on file may not be allowed to participate. If you have questions about the livestream or the waiver/release form, please contact showcase@dmpa.org.
