

AirPlay Plot Summary

This plot summary sheet describes the performance by scene. It tells what sensory experiences you might feel during each scene.

Scene	Plot Summary	Sensory Category
1: Fabric Duet	Two performers sitting on suitcases play with fabric floating in the air.	
2: Feather Fight	Two performers fight over a feather and balloon. A deflated balloon might fall into the audience in the front row.	
3: Balloon Dance and Juggle	Two performers dance and perform tricks with balloons. As the music quickens, the red performer climbs over people and chairs in the audience with a red balloon. A balloon flies up to the ceiling.	
4: Kites	Two performers fly giant kites above the audience. A kite might fly close enough to touch.	
5: Floating Red Balloons	A floating red balloon and leaf blower are brought onto stage. The red performer asks an audience member to use the leaf blower to move the floating red balloon.	
	A yellow performer climbs over people and chairs in the audience as a red balloon floats slowly above them.	
6: Balloon Twister	Different size balloons float and twirl in the air. The performers throw confetti. Suspenseful music begins to play. Two audience members come on stage.	
7: Giant Balloons	The music becomes faster. Two performers step inside balloons. The red balloon suddenly pops and makes a soft noise. The red performer steals the yellow performer's clothes and shoes.	
8: Storm	The yellow performer climbs over people and chairs in the audience to find her shoe. Umbrellas and plastic fly in the air. The red performer gets caught in the plastic and becomes mad at the yellow performer.	
9: Large White Fabric	The music slows down. Two performers float white fabric into the air.	
10: Snow Globe	Two performers sit next to each other on a suitcase as music quietly plays in the background; they become friends again. A yellow balloon is thrown into the air and makes a soft pop with white snow flying out.
